If running the courses listed below on a stand-alone computer that has Macromedia Flash 8.0 viewer or newer . . .

- ***Law of Land Warfare***
- ***Rules of Engagement (ROE)***
- ***Operational Security (OPSEC)***
- ***Subversion and Espionage Against the Army (SAEDA)***
- ***Heat Injury Prevention***
- ***Equal Opportunity/Prevention of Sexual Harassment (EO/POSH)***
- ***Report Intelligence Information***
- ***Force Protection***

. . . you may get the error described in the next slide

When clicking on the *Exit to Menu* button form the course button, at any time while taking the course...

The screenshot shows a Microsoft Internet Explorer window titled "Law of Land Warfare - Microsoft Internet Explorer". The address bar displays the path "C:\Documents and Settings\Test\Desktop\Guard Test\tpa04\cd_start.htm". The main content area features a green header with "VMP" on the left and "UNITED STATES ARMY" in the center. Below the header is a yellow rectangular box containing the following text and form elements:

In order to authenticate yourself, please enter your name and todays date below :

Todays Date : / / (mm/dd/yyyy)

First Name :

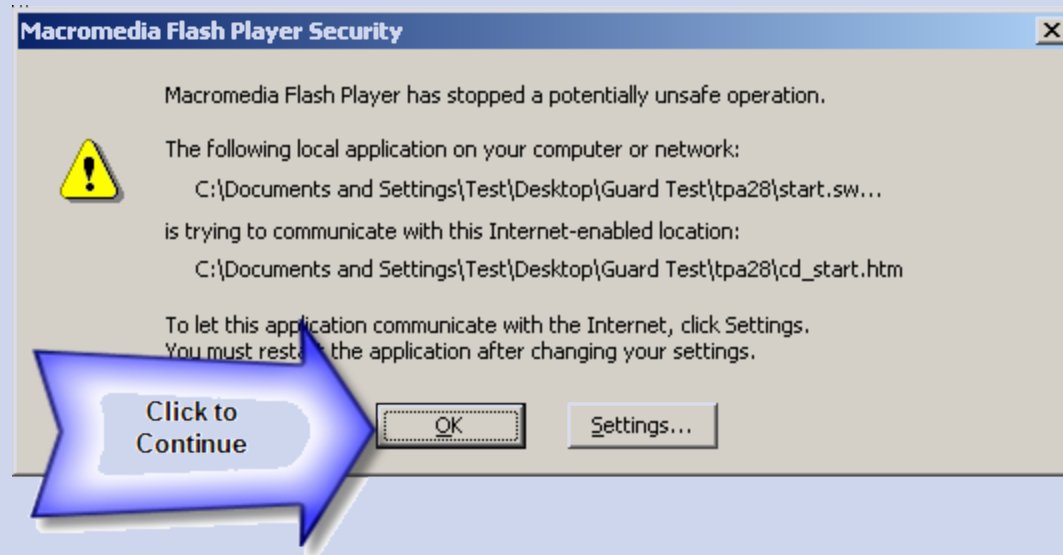

Middle Initial :

Last Name :

<- Submit Entry ->

At the bottom of the yellow box is a green button labeled "EXIT TO MENU", which is circled in red. The browser's status bar at the bottom shows "Done" and "My Computer".

The following error appears.

Click *OK*.

This then leaves a blank screen. Close this window.
